

TUUL

Designer: Martin Saar, 2014

EST

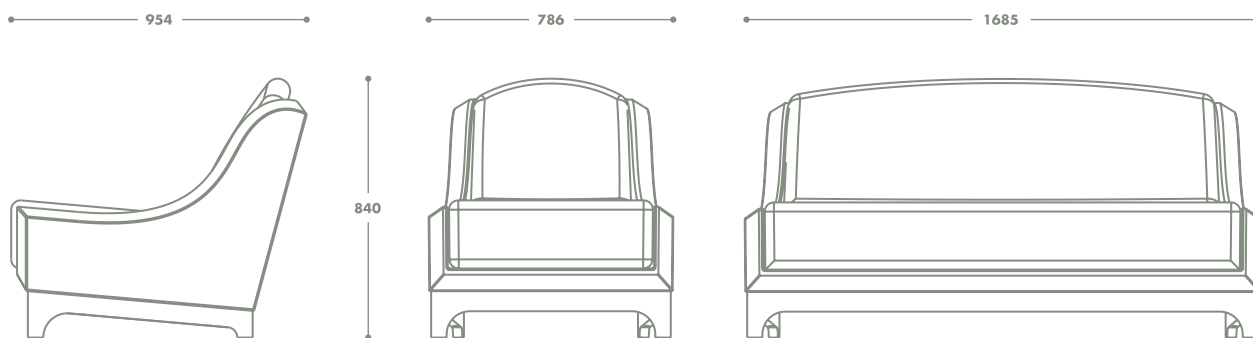

Tuul on perekond, mis on disainitud karmis kliimas sooja ja hubasesse interjööri. Tema skandinaavia päraselt moderne olemus, soojendab meelt külmematel talveõhtutel kui ka palavaimal suvepäeval. Tasakaal vormi ja detailide vahel pakub inimesele hulganisti mugavust, nii et seal ei tahakski tõusta. Tema kahevärvilisele vildist kangale annavad tooni pähklispoonist jalad. Lisaks tugitoolile kuulub perekonda ka kahekohaline diivan ning järi.

ENG

Designed in a rough climate for a humble and cozy interior. Its modern scandinavian yet modern presence will warm you in the coldest winter nights and cool you in the hottest summer days. Tuul is a balance between form and detail to offer the most comfort one needs. Its duo-tone body is upholstered with wool felt fabric accompanied with walnut legs. Tuul's range includes an armchair, two seater and ottoman.
