

SOLID SPIN LAMPS

Designed by Johanna Tammsalu

ASSEMBLY INSTRUCTIONS

Product Standard: EVS-EN 60598-1

Directive 2006/95/EC

Before assembling and installing this product, carefully read the following:

- Switch of the mains before installing the lamp.
- Never use a bulb with a wattage exceeding the recommended one. Always use a bulb with the recommended wattage or lower.
- To install on the ceiling, always choose the most adequate fixing tools for the ceiling material.
- If the steel cable or the power cord of this lamp is damaged, it must be replaced only by the manufacturer or their technical service or by a person capacitated to this effect to avoid any risk.
- This lamp is for indoor use only, excluding bathrooms or any type of humid surface.
- At least two people are needed to install and desinstall the lamp.

Maintenance

- Use a slightly-wet cotton cloth for cleaning.
- In case of malfunction or damage, please contact the retailer who sold the lamp.

IMPORTANT

Always shut off power to the circuit before starting installation work. In some countries electrical installation work may only be carried out by a authorised electrical contractor. Contact your local electricity authority for advice.

WHEN CHANGING BULBS - Make sure the new lamp is marked with the symbol above. Halogen bulbs get very hot. Allow the lamp to cool before changing bulbs.
