

MÜRK 27

Valminud november 2017

Flaieri kujundus tehtud pidudesarja MÜRK 27. peole.

Igal Mürgi flaieril on oma temaatika. Tihti on kujundustes kujutatud minu jaoks nostalgilisi teemasid.

Seekordne kujundus oli inspireeritud *bondage*st ja keskaja õudustest.

MÜRK 27

Completed in november 2017

Flyer design done for party series
MÜRK 27th party.

Every MÜRK flyer has it's own theme.
Usually the designs include things that
feel nostalgic to me.

This time the design was inspired by
bondage and horror from medieval times.
