

AVA received a holy grail for any creator at Vimeo - the Staff Pick badge!  
Thanks for that the music video now has more than 80k views already.  
AVA was also included to STASH permanent collection (STASH 151)

It was featured on This Is Colossal and Motionographer.com, won Video Of The Day award at Motion Design Awards and made a top 10 in Best Music Videos at A Closer Listen (acloserlisten.com) amongst other successes.
